

The background of the slide is a green chalkboard. In the lower-left quadrant, two pieces of pink chalk are positioned diagonally. The chalkboard has several faint, white chalk markings, including a large 'A' at the bottom, a curved line to the right, and a circular shape on the left. The text is overlaid on this background.

Resources You Know About for Teachers:

Final Thoughts:

- You are a great resource to your self when you maintain good records, save materials, games and handouts.
- Your colleagues will help you if you ask.
- Ask for mentoring when you are in a new teaching position.
